

Please describe in detail the extent of renovation requested:

PLEASE NOTE:

Your application will be forwarded to the Housing Manager who will complete an inspection within 30 working days of receipt of the application.

The Housing Manager will determine the extent of the renovations being requested and the associated cost. This information will be forwarded along with your application to the Capital Works Department.

Your application will be reviewed by the Department to determine your eligibility and placement. Health and safety renovations will be given first priority, Not all applications will be approved and you may be placed on a waiting list. You will receive a letter within 30 working days of the indicating your placement and eligibility. Applications received after January 1 of each year will be considered for the following fiscal period. Emergency renovations are considered upon receipt.

Applicants that have demonstrated in the past good care and management of their homes will receive first consideration.
