

26th Session: "Accelerate! Youth for SDGs 2030"

The 26th Youth Assembly Virtual is a unique platform for young people and experts from around the world to connect, engage, and learn from one another on how to regain the momentum of achieving the Sustainable Development Goals by 2030 after the COVID-19 crisis.

Read more to learn how to participate

Through the 26th Youth Assembly Virtual platform, the delegate will gain access to:

- **Unlimited Networking** – Build your own profile and connect with speakers and other delegates within the platform.
- **Live or Simulive Sessions** – Engage in webcasts, live Q&A, and polls presented by notable experts and organizations.
- **Discussion Forums** – Enrich the discussion on certain topics by participating in forums before or after each session.
- **Cultural Exchange at Home** – Share the beauty of your country's tradition and culture through your local art, fashion, cuisine, or language.
- **Talent Showcase** – Share your talent by taking part in the CultureFest showcase, which will be presented virtually during the conference.
- **Action and Impact Virtual Hub** – Have the opportunity to present the exceptional work you are doing among other delegates to share ideas and inspire action.
- **Archived Sessions** – Get access to the recordings of concluded sessions for further review or reflection.
- **Exclusive Resources** – View or download additional resources provided by presenters during their sessions.
