

First Kaska – Cobalt Construction Joint Venture

Big Creek Bridge Earthworks – Expression of Interest

July 14, 2020

**Re: Big Creek Bridge Replacement
Km 1042.1, Alaska Highway #1**

First Kaska – Cobalt Construction Joint Venture is the successful proponent for the Big Creek Bridge Replacement associated earthworks. First Kaska – Cobalt is seeking Liard First Nation owned companies to provide an expression of interest in the rental of heavy equipment for this project. All equipment must be well maintained, leak-free and have all applicable CVIP inspections. The following lists are anticipated equipment requirements for the above-mentioned work.

Equipment Type	Number of Pieces
45ton Excavator	1
35ton Excavator	1
Caterpillar D6 Dozer	1
Caterpillar 14 Grader	1
40ton Articulating Rock Trucks	2
Caterpillar 966 Wheel Loader	1
84" smooth Drum Vibratory Packer	1
Stiff Boom Crane Truck	1
4000-Gal Water truck	1
Tractor c/w Belly Dump	3
Tractor c/w End Dump	3

Please provide expression of interest and availability to either of the following First Kaska – Cobalt Construction JV representatives.

Jasper Lamouelle - First Kaska CEO
jlamouelle@firstkaska.ca

Shaun Rudolph – Cobalt Construction President
shaun@cobaltconstruction.ca

Thank you
