

**Liard First Nation
Executive Council Office**

July 19, 2022

Liard First Nation has received funding from ISC, CYFN, and YTG to subsidise travel cost for LFN members to participate in the Papal Visit to Canada. Due to the limited funding, we are asking for members who are interested in attending one of the Papal Visits to complete the application form. The application form will need to be submitted to the Executive Office by Wednesday July 21, 2022, at 4:30pm. LFN cannot guarantee the transfer of funds for late applications. Out of community members please email the completed form to Rachael.Chief@liardfirstnation.ca.

If there is more interest than funding available, LFN will prioritise Survivors and their Support person to attend.

If you require assistances completing the application form, please come to the Executive Office (305 Frank Trail) where a staff member will be able to assist you.
