

YOUTH COMMUNITY ENGAGEMENT

We want to hear from youth between 12-29 about local mental health services and the impact of COVID-19.

As part of the Fall Fair, this initiative is for a research project to increase leadership knowledge on the needs of the community.

REC CENTRE

BIG PRIZES AND GIFTS will be available for participants!

A person wearing a red jacket and a backpack is walking away from the camera on a dirt path in a forest. The path is covered with fallen brown leaves, and the trees in the background are bare, suggesting an autumn setting. The overall tone is slightly somber but hopeful.

ARE YOU A YOUTH BETWEEN 12-29?

WE WANT TO HEAR YOUR THOUGHTS!

We invite youth aged 12-29 to come and share about the local mental health resources they would like to see in the future. Drop-in to our event at the Fall Fair on September 24th at the Rec Centre - There will be snacks and refreshments.
